PNR alive

PNRs can be kept live until and including 30 June 2021:

To limit the immediate workload, we strongly suggest to keep PNRs active until 30 June 2021.
To keep a PNR active, a MEMO segment needs to be added:

Amadeus users:

For PNRs with at least one flight segment with a travel date until 31 December 2020,

The purge date will automatically be extended by Amadeus by one year from the date of the last cancelled flight segment in the itinerary.

There is at least a cancelled flight segment in the PNR when:

- Either a cancelled segment with departure date from 19th April 2020 to 31st December 2020
- or a cancelled segment with a departure date from 1st February up to and including 18 April 2020 and a confirmed segment with a departure date from 22nd April 2020 to 31st December 2020.
- The ticket must be issued.
- The impacted PNRs will show an RF line: EXTEND PURGE <extended purge date>

There is no action needed by Amadeus travel agents.

For PNRs without cancelled flight segments by the airline:

- A MEMO segment with the date 30 June 2021 should be added.
- The remark "MIS 1A HK" should appear in the PNR

Other GDS users:

Please add a MEMO segment with a date until and including 30 June 2021. This can only be done 1 year before, example: as from 10 July 2020 a MEMO segment until 30 June 2021 can be added.

How to insert a MEMO segment per GDS:

GDS	Entry
Apollo (1V)	0 (= nul)TURZZ (= airline) BK1(=number of pax)AMS(= issuing office)30SEP(= valid until)-**FREE TEXT** Example: 0TURKLBK1AMS30SEP-**RETENTION LINE DUE CORONA**
Galileo (1G)	0 (= nul)TURZZ (= airline) BK1(=number of pax)AMS (= issuing office)30SEP (= valid until)-FREE TEXT Example: 0TURKLBK1AMS30SEP-RETENTION LINE DUE CORONA
Worldspan (1P)	TNZZ (= airline) MK1 (=number of pax)MIS30SEP (= valid until)/AN-RETENTION LINE DUE CORONA Example: TNKLMK1MIS30SEP/AN-RETENTION LINE DUE CORONA
Sabre (1S)	00TH (=carrier code) GK1(=city code)30SEP (=valid until)- Free text related to Coronavirus Example: 00THKLGK1AMS30SEP- DUE CORONA *The free text is not transmitted to the carrier, it is only for the agency to know why they have a retention segment
Amadeus (1A)	RU 1A (=Vendor code - always Amadeus) HK1(=number of pax) AMS (=city code) 30SEP (= valid until)/FREE TEXT Example: RU 1A HK1 AMS 30SEP/DUE CORONA

Refunds

Air France and KLM have reopened the possibility to request a refund directly through your GDS. The general refund process should now be followed.

- Refunds will continue to be processed based on fare conditions and current guidelines applicable to cancelled flights, for tickets:
 - For flights cancelled by the airline, a full refund will be granted
 - For flights **NOT** cancelled by the airline but the customer is no longer able/willing to travel, fare conditions will apply. **NO SHOW is not permitted.** Please see waiver option below.
- If you have submitted a request via the BSPLink and it has not yet been processed by the airline, it is now possible to resubmit a refund request directly via your GDS, which will be processed much sooner. Once processed via GDS, the airline will then reject the initial refund application received in BSPLink.
- It is now possible to request a direct refund via GDS for EMD CDETs and these too can be re-submitted in GDS if initially done via BSPLink.
- The 15% additional value (Issuance of the new ticket(s) had to be completed by 31 October 2020) that applied towards a new ticket is not refundable.

Note: All documents issued or reissued (EMD/ETKT) by the airline on your behalf, that then need to be refunded on request of the customer will have to be requested via BSPLink, as unfortunately it is not technically possible for these documents to be refunded by the travel agent directly via GDS.

Instructions can be found in agentconnect.biz → Sales & Support → Refunds → Refund Process → Indirect Refunds → How to submit BSP refunds. This applies for both AF & KL tickets.

Waiver

Air France and KLM now offer you the opportunity to request a cash refund for those customers who insist they no longer want to travel (voluntary), please note NO SHOW is not permitted.

This is applicable for all reservations that are ticketed on/before 31 March 2021 with a travel on or after 03 March 2020 and up to and including 30 September 2021.

A full cash refund can be granted by using the waiver code “IRG COVID19” which can be added to the direct GDS refund in the waiver remark field as follows:

Amadeus:

TRFU/WA IRG COVID19

Sabre:

Begin Direct refund by using the entry WFRxxxxx. Then mention the waiver code IRG COVID19 in the waiver box

Galileo/Travelport:

Begin Direct refund by using the entry TRNExxxxx or you can make use of the Mask. Then mention the waiver code IRG COVID19 in the waiver box

If the refund cannot be processed via the GDS, then it must go through the BSPLink where the waiver “IRG COVID19” can be inserted in the comment box in BSPLink.

NB: This waiver remark can be withdrawn by the airline at any time with a two week notice period. This waiver remark will waive the refund penalty conditions of the fare ticketed (eg: non-refundable ticket/refundable with a penalty) but not the refund fare calculation (eg: partial refund, taxes, surcharges, etc.) If the waiver remark is not inserted or incorrectly inserted, an ADM will be sent.
