Please Note:

- Renters must be in possession of a valid, unendorsed driver's license and in the case of a 14 seater (Group O) vehicle, a professional driving permit (PrDP). The new model Toyota Quantum 14 seater requires the driver to have a Code 10 drivers licence plus a PrDP.
- The minimum age of renters is 21 years for vehicle groups A, B, C, D, E and P and 23 years for vehicle groups F to O. Driver's license must have been valid for a minimum period of 3 years.

WHY BUY WHEN YOU CAN RENT?

Renting a vehicle from Avis Van Rental makes business sense.

- No FICA or NCA requirements
- No capital outlay - keep the cash in your business
- Monthly rental is an operating expense
- No risk of resale
- No maintenance costs
- New model, low mileage vehicles
- Rent only when you need to - maximise your assets

ADDING VALUE FOR OUR CUSTOMERS

At Avis Van Rental we strive to provide commercial and utility vehicles at the most competitive rates and also do our best to enhance our product offering:

- Tracking devices fitted on request, for longer term rentals
- Automatic connection to Avis Customer Service Centres
- Largest national network
- One way rentals available at nominal fee

MONTHLY RENTALS

Monthly rentals are tailored to suit your requirements. Rent the right vehicle for the job with preferential rates for long term contracts, instant mobility, fixed rate for the term of your contract, single monthly payments and easy access.
