TREAT YOURSELF TO A SUPERIOR EXPERIENCE IN DELTA PREMIUM SELECT.

PUT YOUR FEET UP - REALLY

Delta Premium Select is designed with enhanced comfort in mind for an upgraded experience. Wider seats offer more legroom and a deeper recline with adjustable leg and footrests, so customers can find the perfect position. Dedicated overhead storage ensures carry-on items are within reach.¹

DINE FINER

Delicious new menus are infused with local flavours, feature more plant-based choices and come served with premium linens, cutlery and glassware. Other special touches include a special 'bubbles and bites' moment, with sparkling wine, water and a special treat shortly after takeoff, as well as a premium snack basket.

STAY ENTERTAINED

Larger seat-back screens and noise-cancelling headsets make 1,000+ hours of complimentary Delta Studio content even more enjoyable, including the latest movies, games, Spotify playlists and Peloton's "Classes in the Clouds" well-being-focused content. To stay connected, Delta offers free mobile messaging and high-speed Wi-Fi on demand.²

RECLINE AND RECHARGE

When it's time to sleep, customers can stretch out with a plush blanket made from recycled materials and a memory-foam pillow. Beginning in October, Delta will phase in new handmade amenity kits by Someone Somewhere featuring Grown Alchemist travel essentials and other premium essentials that make the journey more enjoyable.

¹ Current illustrations are of the widebody cabin experience; seat configurations may vary depending on aircraft type and size; the foot and leg rest, 13.3" in-flight entertainment screen, and noise-cancelling headphones are not available on the 757-200 aircraft. Delta Premium Select on flights between Minneapolis-St. Paul (MSP) and Reykjavik (KEF) will feature up to 11" seatback screens and Delta Studio earbuds. ² Available via iMessage, WhatsApp & Facebook Messenger; text and emojis only.
