**Cares | Medical Centre**

**COVID TESTING FLOW CHART FOR CHINA GUESTS NRB ORIGIN:**

Commercial Team to share the Guests on Different Hotels Location 24hours before the test date. For Nairobi .

All Guests originating from Nairobi should do a 48hr and 24hour Covid PCR Test and Covid IgM, and a 12 hour Covid Rapid Antigen Test before Travel.

Positive results/Guests to start Isolation Immediately at their own costs at Government Facility for 3 days depending on developing symptoms, While All Negative results to be shared to the Commercial Team for Travel Advise.

Labs Considered for the above tests are Pathologists Lancet, Kemri, Neobio Research Lab and The Nairobi west Hospital for the Covid PCR and Covid IgM. While KQ medical will perform the Covid Rapid Antigen Test 12 hour before Travel.

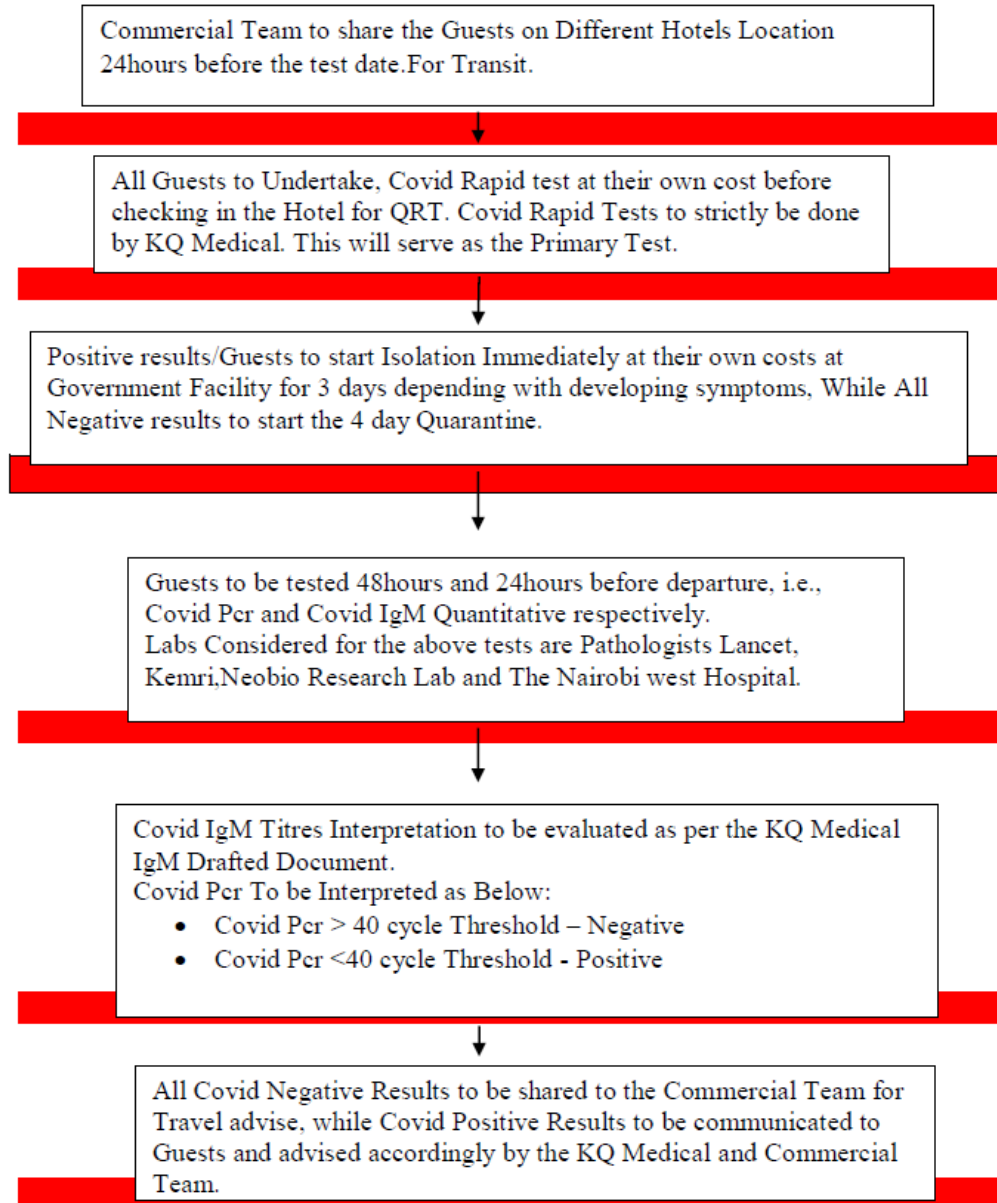

Covid IgM Titres Interpretation to be evaluated as per the KQ Medical IgM Drafted Document.  
Covid Pcr To be Interpreted as Below:

- Covid Pcr > 40 cycle Threshold – Negative
- Covid Pcr <40 cycle Threshold - Positive

All Covid Negative Results to be shared to the Commercial Team for Travel advise, while Covid Positive Results to be communicated to Guests and advised accordingly by the KQ Medical and Commercial Team.
