MEMO: INCREASED FLIGHTS TO CPT

Dear Valued Partner,

Kindly note that KQ is increasing the number of flights to CPT as from 01 August 2023. This new frequency brings CPT direct weekly frequencies to 3X and total frequencies to CPT of 8 times (3 frequencies direct CPT; 2 frequencies via LVI and 3 frequencies via VFA).

The new frequency offers shorter and improved connectivity to the KQ network. Some of the flows with shorter connections are TNR/MBA/KGL/BJM/ZNZ/AMS/LHR/KIS/FIH, BJM amongst others.
