Effective 01st June 2023 Kenya Airways has updated its ADM policy as attached which is already published in the BSP/ARC platforms.

Policy can also be accessed via link below.

Major update is on KQ ticket stock abuse where Travel agents are now reminded to ensure KQ flight sectors are available in any interline journeys they sell. Ticketing on KQ 706 Ticket stock without having KQ sectors in the itinerary will be considered as Ticket misplating abuse.

For any queries or clarifications on the policy send to Revenue.Integrity@kenya-airways.com
