We understand that frequent travel often requires absolute agility. Premium travellers can change or cancel their flights up to one hour before departure without any change or cancellation fees. Flights cancelled one hour or more before departure will be refunded in full to your LIFT Wallet.

EVEN MORE SPACE.

LIFT Premium offers spacious seats and ample legroom. You're guaranteed a window or aisle seat for optimum space and comfort.

EVEN MORE LUXURY.

Signature vida e caffè coffee, additional baggage allowance and exceptional catering options are just a few of our favourite Premium perks.
