FAST, TRUSTED AND SECURE

WHY RENT WITH SANI SIXT?

1. Nationwide Coverage in South Africa We offer convenient airport car rental and city branch locations across South Africa, making us a dependable choice for both local and international travellers.

From Cape Town and Johannesburg to Pretoria, Durban, and Gqeberha (Port Elizabeth), your mobility is covered.

2. **A Modern and Premium Fleet of vehicles** Choose from a wide range of vehicles, including economy and compact cars, SUVs and 4×4 rentals, luxury and executive vehicles, and people carriers for families or groups. Long-term car rental options are also available.

All vehicles are late model and maintained to suit the demands of South African roads and travel conditions.

3. **Trusted Local Expertise with Global Standards** As a proudly South African business partnered with the international SIXT mobility network, we combine local knowledge with world-class systems and service standards.

This means you benefit from global expertise while dealing with a team that understands the local market.

4. **Transparent Pricing and Flexible Rental Options** No hidden surprises. We offer competitive car hire rates, flexible rental periods, and clear cover options so you can choose what suits your budget and travel plans. From daily rentals to monthly and long-term vehicle hire, we make mobility simple.

5. **Corporate and Business Mobility Solutions** We are a trusted partner to thousands of corporate clients across South Africa. Our dedicated corporate car rental solutions include tailored rates, account management, and reporting tools that support your business operations efficiently.
