“A Passenger sending baggage in advance or after they have travelled from the same point of origin to destination he or she was flying to”

What is the process when I want to send unaccompanied baggage?

- 1 Securely pack all items ready for transportation,
- 2 Do a full detailed packing list of each item in each container packed,
- 3 Commercial invoice to declare the value will be required, even if used items,
- 4 Contact agent to assist with customs and cargo booking on TAAG,
- 5 We list one for you but you welcome to use any freight agent,
