SALT OF PALMAR & TAMASSA

SALT of Palmar is a five star resort set in a tropical casual environment, where island living can be experienced at its best, whether feet in the sand or amidst an eclectic mix of design and artwork in the public areas or still in the spacious rooms with their fresh luxurious feel.

Tamassa is great for those who want to experience island life at its best. With a few pleasant surprises thrown in for good measure. We believe that holidays are not only for escaping the everyday, but also a precious chance to reconnect and remind ourselves of the most important thing in life – each other.
