

TURKISH AIRLINES - COMMISSION STRUCTURE

ANNOUNCEMENT

Turkish Airlines regret to inform you that there will be a restructure in the commission rate for the BSPZA market.

Please note that with effect from **1 October 2020**, Turkish Airlines commission rate will be 0,1% per ticket, issued in the BSPZA market.

We do understand this change will be difficult and have financial implications. We trust that together we will be able to overcome this and find alternative options that are beneficial to both, you our travel partners and Turkish Airlines.
