

Turkish Airlines – Fare Structure

Turkish Airlines has reformed a new fare structure with effect from 11 May 2022, for both, business class and economy class cabins on specific routes/countries. **NOTE** that some fare packages **does not include baggage** and some fare packages does not allow changes or refunds.

The fare basis of these Brand Fares will indicate Fare Package. **[READ THE FARE RULES PRIOR TO ISSUING](#)**

Package details could change without prior notice, according to market necessities.
