## **Northern Lights Promise**

**\*Valid on selected Norway Expedition Cruises between 01 October & 31 March**

The beautiful Aurora Borealis is Mother Nature's ultimate light show. We know that no trip to the Arctic Circle is quite complete without experiencing this highlight at least once on your journey. If the Northern Lights do not appear on your expedition cruise to Norway, Hurtigruten will give you another 6 or 7-day Classic Voyage FREE OF CHARGE.

### **Northern Lights Promise Ts & Cs**

A Northern Lights occurrence is defined as a sighting from the ship which is recorded by the ship's deck officers and which is announced to passengers on board. The ship's decision as to whether the Northern Light occurred is final. We hope that you will experience seeing the Northern Lights, although Hurtigruten cannot be held responsible if you don't. They do however, promise that in the event of there being no Northern Lights Occurrence as defined above on your voyage, they will invite you back to cruise with Hurtigruten once more.

### **Subject to the following Ts & Cs in 2022/2023**

You will be able to take a 6 or 7 days Classic Voyage cruise, departing 1 October 2022 to 31 March 2023 in an unspecified inside twin cabin on a full board basis, (you may upgrade to another grade of cabin subject to additional costs and availability). This offer applies to all new bookings on select Expedition cruises along the Norwegian coast, departing from 1 October 2022 to 31 Mar 2023. Hurtigruten reserves the right to withdraw or amend the offer at any time. Please check at the time of booking as to current status of offer. Offer does not apply to re-scheduled or cancelled cruises. Bookings are non-transferable, non-changeable and have no cash value.
