Snow Guarantee

At Club Med, we understand that the *thrill of skiing should never be left to chance*. That's why we offer the *snow guarantee**, your chance of uninterrupted snowy adventures.

If 50% of ski lifts are closed in your ski domain, we step in *to welcome you in a Club Med Resort where snow cover is plenty*, enough so you can make the most of the slopes during your ski vacations (subject to availability).

With us, you can *ski with peace of mind*, knowing that no matter what Mother Nature has in store, your journey on the slopes remains secure.
