Ethiopian Airlines Increases Korea-Africa Services

Passengers to fly state-of-the-art A350-900 aircraft six times a week

Addis Ababa, August 22, 2023

[Ethiopian Airlines](#) Group, the fastest-growing global airline brand and the continent's largest airline, is pleased to announce that it will increase its weekly passenger [flights to Seoul](#), Republic of Korea, to six, effective October 28, 2023. Ethiopian will also deploy the latest Airbus A350-900 aircraft on the route.

The increase in the frequency follows fruitful discussions between the aeronautical authorities of Korea and Ethiopia. The additional flights are evidence of the two countries expanding socio-economic relations and the growing multi-faceted partnership between Korea and the whole continent of Africa.

Regarding the flight enhancement, Ethiopian Airlines Group CEO Mr. Mesfin Tasew said, "Ethiopian is the only African carrier connecting Seoul to the continent and beyond, and the additional frequencies will be significant in fostering economic, cultural, and social interactions providing more diverse and convenient connectivity options to travellers. As a pan-African carrier, it gives us pleasure to give additional flight options between Addis Ababa, the diplomatic capital of Africa, and Seoul, the rising hub of East Asia. We are especially thrilled by the opportunity to serve our esteemed passengers with the latest [Airbus A350-900 modern aircraft](#). I take this occasion to sincerely express my gratitude to the Government of the Republic of Korea for supporting Ethiopian in enhancing its flight frequencies."

Ethiopian Airlines has just marked its 10th year services Anniversary to Seoul, and the flight enhancement is part of the celebrations of this special occasion. Seoul was the 73rd destination of Ethiopian Airlines ten years ago, and the airline has since nearly doubled its entry points with over [130 destinations](#) serviced across five continents.

About Ethiopian

Ethiopian Airlines Group (Ethiopian) is the fastest-growing airlines brand globally and the continent's largest airline brand. In its seventy-seven years of successful operations, Ethiopian, the fastest growing airline, has become one of the continent's leading carriers, unrivalled in efficiency and operational success. In addition to its main hub in Addis Ababa, Ethiopia, it is also pursuing its multi-hub strategy through a hub in Lomé, Togo with ASKY, in Lilongwe, Malawi with Malawi Airlines and in Lusaka, Zambia with Zambia Airways. Ethiopian commands the lion's share of the African passenger and cargo network operating the youngest and most modern fleet to more than 150 domestic and international passenger and cargo destinations across five continents. Ethiopian's fleet category consists of ultra-modern and environmentally friendly aircraft such as Boeing 737s, 777s, 787s, Airbus A350-900 and Bombardier Dash 8-400 double cabin with an average fleet age of seven years. In fact, Ethiopian is the first airline in Africa to own and operate most of these aircraft.

Having achieved its strategic plan (Vision 2025) ahead of time, Ethiopian is currently implementing a 15-year strategic plan called Vision 2035 that will see it become one of the top 20 most competitive and leading aviation groups in the world by providing safe, secured, market driven and customer focused Passenger and Cargo Transport and Logistics, Aviation Training, Airport Management and Ground Services, MRO and Aerospace Manufacturing and Travel and Tourism Services. As a multi-award-winning airline, Ethiopian has been the champion in various coveted awards including Skytrax's 'Best Airline in Africa Award' for six consecutive years among others. The airline has been a Star Alliance member since 2011 and has been registering more than threefold growth in the past 10 years.
