THE CURATED

TUNNEL LED GLAM BOOTH

Have your guest enjoy an interactive experience and record themselves in a fun and creative environment. The all new Glam booth is a Tunnel style video Booth which allows guest to step inside, have fun and live in the moment making lasting memories that they can always revisit. The tunnel is lit up with LED lighting creating a glamorous and retro video style. Your video is then captured by Camera which has built In software that adds a custom overlay and song as per the host request which is instantly sharable.

MAGAZINE BOOTH

Our Creative magazine booth allows guests to step into their own magazine cover. The branded photo / video captured with their smartphone cameras will allow them to edit their photos and videos and share on popular social media apps, thus joining the trend. The magazine booth will be customised with your logo / preferred image, making the content unique.

360-VIDEO BOOTH

Experience the 360-video booth at your wedding, accommodating 4 guests at a time. Customize overlays to match your wedding theme, add a song of your choice to each video, and a friendly operator guides guests for an enjoyable experience. Instantly receive a download link for personal videos, perfect for posting or keeping memories. After the wedding, a link to access and download all videos will be sent to you. Capture, share, and relive the moments effortlessly.

AUDIO GUESTBOOK

Wave goodbye to traditional guest books and welcome the new trending audio guestbook. Capture heartfelt messages and hilarious memories with a retro-style telephone setup at your wedding. Guests introduce themselves and leave special messages, creating an unforgettable experience. After the wedding, receive a link to download all the audio, preserving these cherished moments forever. Relive the love and laughter at your convenience.

NB: The Tunnel LED Glam Booth is based on availability, hence the group that confirms first with payment will receive preference. Additionally, each of the above value-adds can be added to your event at R1000 each for 2 hours. Additional hours for the value-adds are R850 per hour.
